

Puss in Boots

Charles Perrault's *Puss in Boots* has been an irresistible magnet for countless illustrators ever since this classic French tale was first published in 1697. So the question arises: Do we really need another edition of *Puss*? Presented with Fred Marcellino's magnificent interpretation of this nimble new translation of the authentic text, book lovers young and old are apt to decide that this *Puss in Boots* belongs on their shelf of special favorites. Long regarded as the preeminent designer of book jackets in America, Fred Marcellino provides an unstinting visual feast in his first full-color picture book. The adventures of that rascal, Puss, and his master, the miller's son, are portrayed in a lavish series of illustrations that range from sumptuous grandeur to comedy both boisterous and sly. *Puss in Boots* is a 1991 Caldecott Honor Book.
