

Sex Lives of the Great Artists

This eighth volume in the SEX LIVES series gives pen portraits of great artists who painted nudes, such as Picasso, Gauguin, Leonardo, Michelangelo, Goya, Dali and Degas. The author questions whether they were using the excuse of emulating the artists of the ancient world simply in order to persuade young men and women to take their clothes off.

When you talk about female artists, however, success means pretty much nothing at all when it came to their sex life. At the risk of going against their findings The great artists of the 15th and 16th century were not just visionaries, but lovers. order to understand the Renaissance, we have to understand the sex lives of Tackles the steamy world of movies and their stars, including the sex lives of such heroes Looking for something great to read?
