

You're Still the One (Country Blues)

Love is one dare neither of them can take...Arabella Stone, Nashville's darling, is eager to shuck her prim-and-proper rep, and a few wild months spent checking items off her summer bucket list is the way to do it. First up: kiss the man she's crushed on since she wore a training bra, the bad boy of country himself, Blue bassist Charlie Tucker. For Charlie, a beautiful woman flirting with him isn't out of the norm--but a beautiful woman bolting after the hottest kiss of his life sure is. And when he finds out his kiss-and-run Cinderella is none other than Arabella Stone, daughter of his label's CEO, he knows he's in trouble. Because not only is she a Stone, she's also his employee for the next few months at the recording studio he just bought. Over the course of one thrilling summer, Arabella and Charlie chip away at her bucket list and fight the simmering attraction between them...knowing that once it's all over, so is their time together.
