

## Noelles Golden Christmas (Holiday, Inc. Book 1)

A sweet, inspirational romantic comedy! Yule love it! When it comes to the Christmas season, Noelle Holiday is a real Scrooge... December isn't filled with the magic of Christmas for Noelle, just the looming dread she's about to lose something else dear to her. Will she ever be rid of her Christmas curse? When she adopts an injured shelter dog, she discovers the love of her life... a Golden Retriever named Abby. Perhaps being single is God's plan for her, but at least she isn't alone. Her meddling family, however, is convinced she needs a man in her life. They introduce her to two irresistible men who couldn't be more alike. Or more different. Both men sweep into her life, testing her faith, and stirring up desire and confusion in equal measure. If she can just get through this humbug holiday without another heartache!

In the spirit of Hallmark movies, this sweet Christian romantic comedy tells the story of a believer, struggling to implement her faith in her everyday walk and battling fear to find the agape love that drives it away.
