

Power to the Patient: The Medical Strategist

The healthcare system that we were familiar with is in total collapse. Emerging from the ashes is the newly acquired ability for patients to choose their own treatment and head their own medical team. As we come to a crossroad in our approach to treatments in healthcare, this book provides an antidote to the confusion and stress that lie ahead. You will discover new ways to see your healthcare as we embark upon this journey together.

Power to the Patient- Learn How to Get Your Copy FREE The projected growth rate in health care spending is only slightly faster than spending would have had if we had followed the path of the 1990s.
