

Essential Student Government Guide: High School & Middle School Edition (Essential Student Government Guides)

This is the essential guide for every high school and middle school student government leader. This resource by Student Government Solutions hits the common problems that students face trying to become the best leaders they can be, from elected officers to volunteers. The guide covers everything from the initial planning steps to putting on great events, getting more students involved, and getting young leaders track for success. This manual contains brief and easy to use guides including the following topics: time management, priority setting, effective short and long term planning, recruitment methods, on-line organizing, leadership development, visibility, and coalition building for your issues. This also applies to students in all types: student council, associated student body organizations, and legislative council. Many of these tips are great for building sustainable student lead programs that promote leadership, skill building, and teamwork. Introduction: As a student in school you have so many opportunities to learn and grow from every activity you choose to take part in. For those considering joining or already active in student government there are a million and one reasons to make the best of this experience, and use this guide to help. Whether you're just looking to learn something new, trying to figure out where to start or just need a couple extra skills to make your event take off this book will be able to give you some inspiration for your activities. The Essential Student Government Guide is just what you need to make your projects successful like never before. This manual won't have a solution to everything you'll run into, but with a little creativity you'll be able to make these time tested strategies work for you. For years High School and Middle School student governments and associated student body organizations have proven to be excellent training grounds for young

leaders all across the country to test out and expand their leadership abilities. You are no exception to this tradition of training and growth. Your responsibility in student government is to serve the student body through making their school experience as good as it can be. You will be making decisions on behalf of your fellow students and putting on great events to make their time in school more successful and enjoyable. This guide will cover all the basic skills you'll need to be successful in student government and help you achieve the goals you want to accomplish. Use this guide as a resource for setting and accomplishing your goals. The best way to start is to review each part of this guide and then focus in on what you specifically need. There are many fictional examples to help you understand the major concepts. Many of the strategies and tools in this manual you have never considered using before, but can be very beneficial. These new and exciting ideas will help launch your project into success. It's important to know what skills are available in this book so that you can learn how to use those tools as you need them. The more you know the more you'll be able to bring to your project, whether it is putting on the most amazing rally your school has ever seen or getting students involved in an important issue. You can find more information at our blog at <http://www.studentgovernmentsolutions.com> We also offer coaching for new student government advisers and training for student leaders. We've had the opportunity to train students all over the country and look forward to speaking about your school's individual challenges.
