

## Dangerous Curves - a short-length contemporary hot romantic suspense novella (The STORM Corps Transporters Book 1)

New York Times and USA Today bestselling author Nina Bruhns presents the short prequel to her upcoming STORM Corps Transporter series. Ex-Marine intelligence officer Darryl Bachmann is in Italy to start his dream job as a transporter for STORM Corps, the prestigious private special ops company his former commander is heading up. His first assignment? To pick up a lady scientist at the airport. Easy, right? Wrong. Dr. Linnea Gordon might look like a lab mouse in her file photo, but in person, her curves are more deadly than anything Darryl has ever encountered on the road. When someone steals her suitcase containing the new top-secret drone system she is bringing to his boss Darryl must jump in to save her and the project, and whisk them away to the safety of a cozy seaside hotel...all while trying to resist the temptation of those amazing and dangerous curves. This short-length contemporary romance STORM Corps Transporter novella has a sexy romance, fast-paced romantic adventure, charming humorous romance, emotional romance, international intrigue, and a dash of romantic suspense.
