Protection specialist Natasha Chamberlain thinks guarding a defense attorney from a disgruntled client should be a fairly normal job, but when she learns he's been targeted by the mafia, she's ready to call it quits. However, the attorney holds her to their contract and Natasha finds her own life placed in danger along with her bodyguard cohorts Pit and Bigun. Natasha's fiancé Jonce Striker is fit to be tied when he learns this, which only confirms to him that the bodyguard field is too dangerous for his love.
