

400,000 graduates 60,000 jobs you need to know everything you can to make one of them yours. Two experts have been behind the scenes and observed the graduate recruitment process in top companies. They've seen how some students work the system and get those jobs. Here's how - and how you can too. Competition for graduate jobs is fierce and getting even fiercer. More graduates. More debt. The need is strong. This is the first book to reveal how graduate recruitment really works and how some students work the system - and get the jobs. Highly topical - this is a big issue that isn't going to go away - the on-going student loans debate and concerns over student debt mean that parents and students are primed to find out how they can secure their return on investment. Highly practical - tells the graduate what they need to know. The ONLY book to be independent and research based - this book tells you how it really is. Marketing support - national campaign to raise visibility to graduate audience. PR CAMPAIGN - A grade title for PR -full scale national PR campaign to reveal the authors research and the truth that graduates are cracking the system. MARKETING CAMPAIGN: The book will be marketed on university campuses and through graduate recruitment networks and websites.
