

The Future of Human Resource Management: 64 Thought Leaders Explore the Critical HR Issues of Today and Tomorrow

Sixty-three stellar academics, consultants, and practitioners look at the future of human resources. The follow-up to the bestselling *Tomorrows HR Management* (978-0-471-19714-0), this book presents an international panel of expert contributors who offer their views on the state of HR and what to expect in the future. Topics covered include HR as a decision science, understanding and managing people, creating and adapting organizational culture, the effects of globalization, collaborative ventures, and investing in the next generation. Like its bestselling predecessor before it, *The Future of Human Resource Management* offers the very best thinking on the future of HR from the most respected leaders in the field.
