

Attract Hotter Gay Guys with the Secrets & Science of Sexual Body Language. A Guide To Gay Dating

From The Host Of HBOS The Sex Inspectors The Body Language Guide That Will Help You Meet & Attract Guys That Turn You On. Learn which gestures, postures and expressions attract the kind of gay men you want to connect with all based on peer-reviewed studies done by leading psychologists in non-verbal communication. Here's a sample of what you'll learn:

1. The best way to approach him if he's not glancing back at you. This includes which angle to approach him (NEVER head on) and the way you should smile when you approach him (there are 2 aspects of a smile that create warm, positive feelings in men).
2. How to get him to look in your eyes once you start a conversation. If you don't get him to look in your eyes QUICKLY, OFTEN, and CONSISTENTLY he's going to fall into the Friends Zone faster than you can say, I drink too much. This section details the Align/Direct/Reinforce method of making it happen.
3. Use your hands to create a visual pathway. Studies using hidden cameras show that romantically interested men unconsciously use their hands to create a gaze path to their eyes. Learn how to do it on Page 13.
4. Magnetic ways of introducing yourself. First, NEVER do it in the first few minutes of a conversation (this section explains why). It includes a detailed explanation of the best rapport-creating handshake and a simple technique that communication researchers discovered that SIGNIFICANTLY magnifies the positive impressions of your handshake.
5. How to use your body to build rapport. This section explains the magic mirror effect and gives you priceless tips on how to achieve it (there's a courtship phenomenon observed by researchers that says men are flattered and feel closer to you if you imitate their gestures, postures, movements and sightlines).
