

The New Diary

A CLASSIC GUIDE TO JOURNAL WRITING, Tristine Rainer's *The New Diary* takes readers beyond the rigid calendar diary they may have kept as a child or travelogues of family vacations. A blueprint for efficient, productive and creative diary writing, it is a tool for tapping the full power of your inner resources. With more than 100,000 copies in print, *The New Diary* is as much for the novice journal-keeper as it is for those who have kept diaries their whole lives. It does not tell you the right way to keep a diary; rather, it offers numerous possibilities for using the diary to achieve your own purposes, such as:

- Clarifying your goals
- Focusing inner energies
- Freeing inhibitions and releasing your imagination
- Using a workbook to explore dream
- Writing about your life: past, present, and future
