

The Queen & Di: The Untold Story

As the editor of Majesty magazine, Ingrid Seward has developed professional and personal relationships with the royal family. We discover a surprising portrait of the English monarch and the princess, contradicting what the press has previously reported: a fragile Diana battling an unfeeling mother-in-law. We learn that the Queen tried to welcome Diana into the royal family and that Di failed to grasp the hand of friendship. From the princess herself we hear details of what went on between Prince Charles and Camilla Parker Bowles. And we glimpse much more about the inner workings of the extended royal family. Entertaining and factual, *The Queen & Di* stands apart and above the countless, often inaccurate, accounts published to date about Diana. Ingrid Seward reveals for the first time the true relationship between two important women of the 20th century. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
