

# The Priest & The Princess: Part 16: Playing with Fire: Adventures with Prof. Arcana the Queens Personal Druid

Her Royal Highness The Queen of England recommends to Tiara and Ryker her personal Druid and Alchemist, as they continue their quest for the Golden Calf and the Holy Grail. Druid Professor Arcana provides a magical elixir, and a secret to the activities of the knights Templar. The Professor helps Tiara and Ryker learn to develop the mental prowess and power that they need to match the superhuman powers Sasha has at his disposal. Their handler Graves arrives to tell them that Sasha has been spotted on the bullet-train in France, and that the President of the United States wants the Duo to catch up with him. Tiara feels uneasy about this adventure, believing that Sasha is intending to sew mass seeds of destruction. The sparks are about to fly when the conflagration occurs, and Sasha, Tiara, and Ryker come face to face. In the ensuing mayhem, Ryker and Tiara manage to wrest the package from Sasha and forge their escape. They hold a golden prize in their hands. One out of two, Tiara tells Ryker, One out of two, but is all that glitters really gold?
