

Trade Like a Shark: The Naked Trader on how to eat and not get eaten in the stock market

Take a bite out of the markets with the Naked Trader! This book is for anyone who really wants to consistently make money trading shares. Trading and investing can be tough most fail. The human mind is to blame. Its prone to emotion, cluttered with distractions like Twitter and social media, easily trapped by scams. But its possible to make money in the markets and to do so reliably. Robbie Burns, aka The Naked Trader, has been trading successfully from his home for 15 years making over ?2m tax-free (while eating a lot of toast and watching Game of Thrones). Hes also met and helped thousands of fellow traders at his seminars, seen every possible trading meltdown, and knows exactly what can go wrong but also how to put it right. In Trade Like a Shark, Robbie uses his unique firsthand experience and the real-life stories traders have shared with him to expose exactly how the human mind can play havoc with your trading. At the same time he reveals his tried-and-tested methods for overcoming it, showing how to be a shark, gobbling up money from the fish who are full of fear, greed and other emotions. (And also why modelling yourself on Mr Spock can work wonders.) If youve run into problems trading in the stock market or just want to reinforce good habits there is no better or wittier guide to the pitfalls that are out there, and some surprisingly effective ways to overcome them. Its a must-read book on trading psychology without the jargon. Read it and take your trading to the next level now!
