

# Travels on the Dance Floor: One Mans Journey Into the Heart of Salsa

When poet and biographer Grevel Lindop takes up salsa dancing in rainy Manchester, all he has are size 12 feet and excruciating adolescent memories of ballroom dancing lessons. But salsa has a way of getting into your blood. Intense and intimate, sexy and addictive, the adrenalin-pumping Afro-Latin-American dance style soon becomes an obsession. Inspired to learn more, Lindop decides on a solo adventure to find the geographical and cultural roots of salsa. From the streets, bars, and dance halls of Cuba, Venezuela, and Colombia to those of Panama, Puerto Rico, the Dominican Republic, and Miamiland of Cuban exiles he stumbles across a colorful cast of characters and a raft of new tricks. His quest also gives rise to basic confrontations with himself: can a 64 white, English poet really dance? And what happens when he does? *Travels on the Dance Floor* is Lindop's vibrant and evocative account of his odyssey, written with wry humor and a poet's eye for color, detail, and atmosphere. Funny, passionate, and inspiring by turns, it is a book that will be loved by dance addicts and armchair travelers alike.
