

Walking with a Saint 2009: Morning Walks and Conversations with Srila Bhaktivedanta Narayana Gosvami Maharaja

The scriptures tell us of the incalculable value of even a moments association with a true saint, and Sri Srimad Bhaktivedanta Narayana Gosvami Maharaja is exalted even among saints. With great sincerity, his disciples and followers thus availed themselves of any opportunity to accompany him on his morning walks and attend his morning darsanas. In those informal settings, they freely asked a variety of questions, his illuminating responses revealing a mere glimpse of the devotion radiating brilliantly within his heart. Sometimes personal, sometimes disciplinary, sometimes humorous and always loving, he would impart the deepest understandings of the scriptures for the benefit of all.
