

## In The Land Of Alexander

In the summer of 1989, Keith Hale set out to discover the gay life and culture of Eastern Europe and Turkey, a region not known for its gay movement. This unusual travelogue combines historical and cultural insights with first-hand experiences. Just as Edmund White, in *States of Desire*, found each city in the U.S. to have a distinct personality, Hale finds each of the countries he visited to have a unique appeal for the gay traveler. His book is of special interest given the dramatic changes that occurred in the Balkans soon after his visit.

There's no question that Alexander of Macedon was one of the great generals of all time, so one part of the answer is that he was just really. The wars of Alexander the Great were fought by King Alexander III of Macedon (The Great), . He wanted the Persians to destroy the land in front of Alexander, which he hoped would force Alexander's army to starve, and then to turn back. We will never really know how well he would have administered the countries he conquered. He started well, keeping people in place who were local and who .
