

## Bill and Hillary: The Marriage

They are one of history's most remarkable couples: he the country-boy populist oozing ambition and Southern charm, she the brilliant lawyer with a taste for power and prestige...only to have his reckless behavior bring them to the brink of personal and political ruin. Despite the billions of words that have been written about Bill and Hillary, the true nature of their relationship has remained a jealously guarded secret...until now. In the manner of his headline-making No. 1 New York Times bestseller *The Day Diana Died*, and his bestselling books about another President and First Lady, Jack and Jackie and *Jackie After Jack*, Christopher Andersen draws on important sources--many speaking here for the first time--to take readers on a fascinating journey inside the world's most talked-about marriage.

Hillary Clinton's current book tour for her memoir *What Happened* is putting stress on her marriage to her husband, Bill Clinton. The gamy tale told by Andersen (a biographer of Jack and Jackie Kennedy) is heartbreaking because it portrays Bill Clinton as a rapist, and because the juiciest THE Clintons have at least a one-way open marriage, their former Bill and Hillary Clinton got hitched in 1975 and have one daughter, - 32 sec The Clintons have at least a one-way open marriage, their former veteran pollster claims. It's been a nearly five-decade-old arrangement of convenience for two people who are power-hungry and zealously ambitious.
