

Wicked (Medieval Wedding Trilogy Book 3)

Winning a stubborn lady turns into the battle of his life for a powerful knight. Lady Sofia Howard has sworn never to marry, after her young heart was broken by an arrogant young squire. She spurned every suitor to the dismay of her guardian, King Edward I, who finds that even increasing her dowry prize will not lure men to offer for the defiant but lonely Sofia. So the king takes matters into his own hands and betroths Sofia to Sir Tobin de Clare, the man who once broke her heart. Passion explodes, and Sofia's tattered pride demands that Sir Tobin surrender his heart. A battle of wills ensues that makes war seem tame, when nothing will stop this ruthless warrior from winning his lady. In a classic Barnett battle of will and wit, a knight and his lady find that love at first sight is dangerous at best and never, ever easy. *Wicked* has all the pageantry of Medieval England, liberally laced with poignancy and humor.
