

Justifying Jack (The Wounded Warriors) (Volume 2)

Justifying Jack is a standalone novel, and can be enjoyed even if you haven't read other books in the series. For Army Staff Sergeant Jack Nelson, the military is more than just a career goal; it's the only life he knows. That is, until a tragic explosion leaves him wounded in body and spirit. His military service ended, Jack returns to his parents' home to recuperate. Expecting a time of quiet contemplation, Jack is blindsided by the most inappropriate of attractions... the widow of his lost brother-in-arms. While Marithes' sweetness soothes Jack's agony, she's also suffering from her own grief. Will the couple be able to find a future together, or will regret, guilt, and secrets destroy their troubled romance?
