

# The Wizard of Lies: Bernie Madoff and the Death of Trust

The inside story of Bernie Madoff and his \$65 billion Ponzi scheme, with surprising and shocking new details from Madoff himself. Who is Bernie Madoff, and how did he pull off the biggest Ponzi scheme in history? These questions have fascinated people ever since the news broke about the respected New York financier who swindled his friends, relatives, and other investors out of \$65 billion through a fraud that lasted for decades. Many have speculated about what might have happened or what must have happened, but no reporter has been able to get the full story -- until now. In *The Wizard of Lies*, Diana B. Henriques of *The New York Times* -- who has led the papers coverage of the Madoff scandal since the day the story broke -- has written the definitive book on the man and his scheme, drawing on unprecedented access and more than one hundred interviews with people at all levels and on all sides of the crime, including Madoffs first interviews for publication since his arrest. Henriques also provides vivid details from the various lawsuits, government investigations, and court filings that will explode the myths that have come to surround the story.
