You're Not Crazy and You're Not Alone: Losing the Victim, Finding Your Sense of Humor, and Learning to Love Yourself Through Hashimotos by Stacey Robbins shines a flashlight on the emotional, physical, and spiritual journey within women with this autoimmune dis-ease. Stacey explores the common areas that women with Hashis struggle: like perfectionism and self-rejection -- and common past experiences -- like abuse or injury. Stacey inspires women to look at their lives, and Hashimotos differently, and to use this diagnosis as an opportunity for inner healing, greater happiness, and loving themselves.
